

“ Press a button and speak, your whole team can listen, talk, and help. ”

Instant team communication

Responsive customer service

Drives business efficiency

Rapid return on investment

TESTIMONIAL

"As someone who works in a busy food retail environment, I find the headsets fantastic. They reduce your workload from the moment you put them on. It also improves communication between my team and helps us give customers the best possible service."

Major food retailer, Team leader

Wireless coverage

DRIVE BUSINESS EFFICIENCY WITH
VOCOVO TEAM COMMUNICATIONS

Deliver real team efficiency with VOCOVO wireless headsets

VOCOVO headsets offer simple to use wireless **Team Communications**, with crystal clear audio enabling your team to communicate instantly across the widest of areas.

Built around proven DECT digital technology, communications between staff members is simple and intuitive. Forget crackling two way radio's poor voice quality, and barged in conversations. With VOCOVO conference technology, colleagues are free to concentrate on the task, not the tool.
