

SEAMLESS COMMUNICATION WITH THE WORLD'S BEST PAGERS

www.boomerangpaging.com.au

iFlex Chef

STAFF PROOF ALERT SYSTEM

Always be on hand to serve your customers. Providing seamless communication between the kitchen staff and manager, the iFlex Chef System enables venues to increase efficiency through reduced trip to the kitchen, ensuring customers are always satisfied. If a waiter is busy and cannot pick up the call, they can press the watch to bump the call to another waiter automatically.

FEATURES AND BENEFITS

- Silent vibration ensures no missed calls and continual service
- Smart watch pager for staff
- Two way communication
- Integrates with existing Wi-Fi Network
- Reduced trips to the kitchen
- Bump function to contact waiters if busy
- No cold food complaints
- Seamless connection between kitchen staff and manager
